

ST. JOHN'S UNIVERSITY

St. John's Student-Athletes HAZE Program

2017 APPLE Training Institute
Charlottesville, VA

APPLE Action Plan

- Introduce student-athletes to the HAZE video on an individual team basis during the fall 2015 semester
- Conduct a Pre and Post survey to address the impact of the video
- APPLE team members lead each sport team thru a guided discussion after viewing the video to raise awareness on high risk drinking and help seeking behaviors

Steps to meet our Action Plan

- Buy in from coaches
- Develop survey questions
- Create safe environment to discuss movie with peers

Peer Educator Team

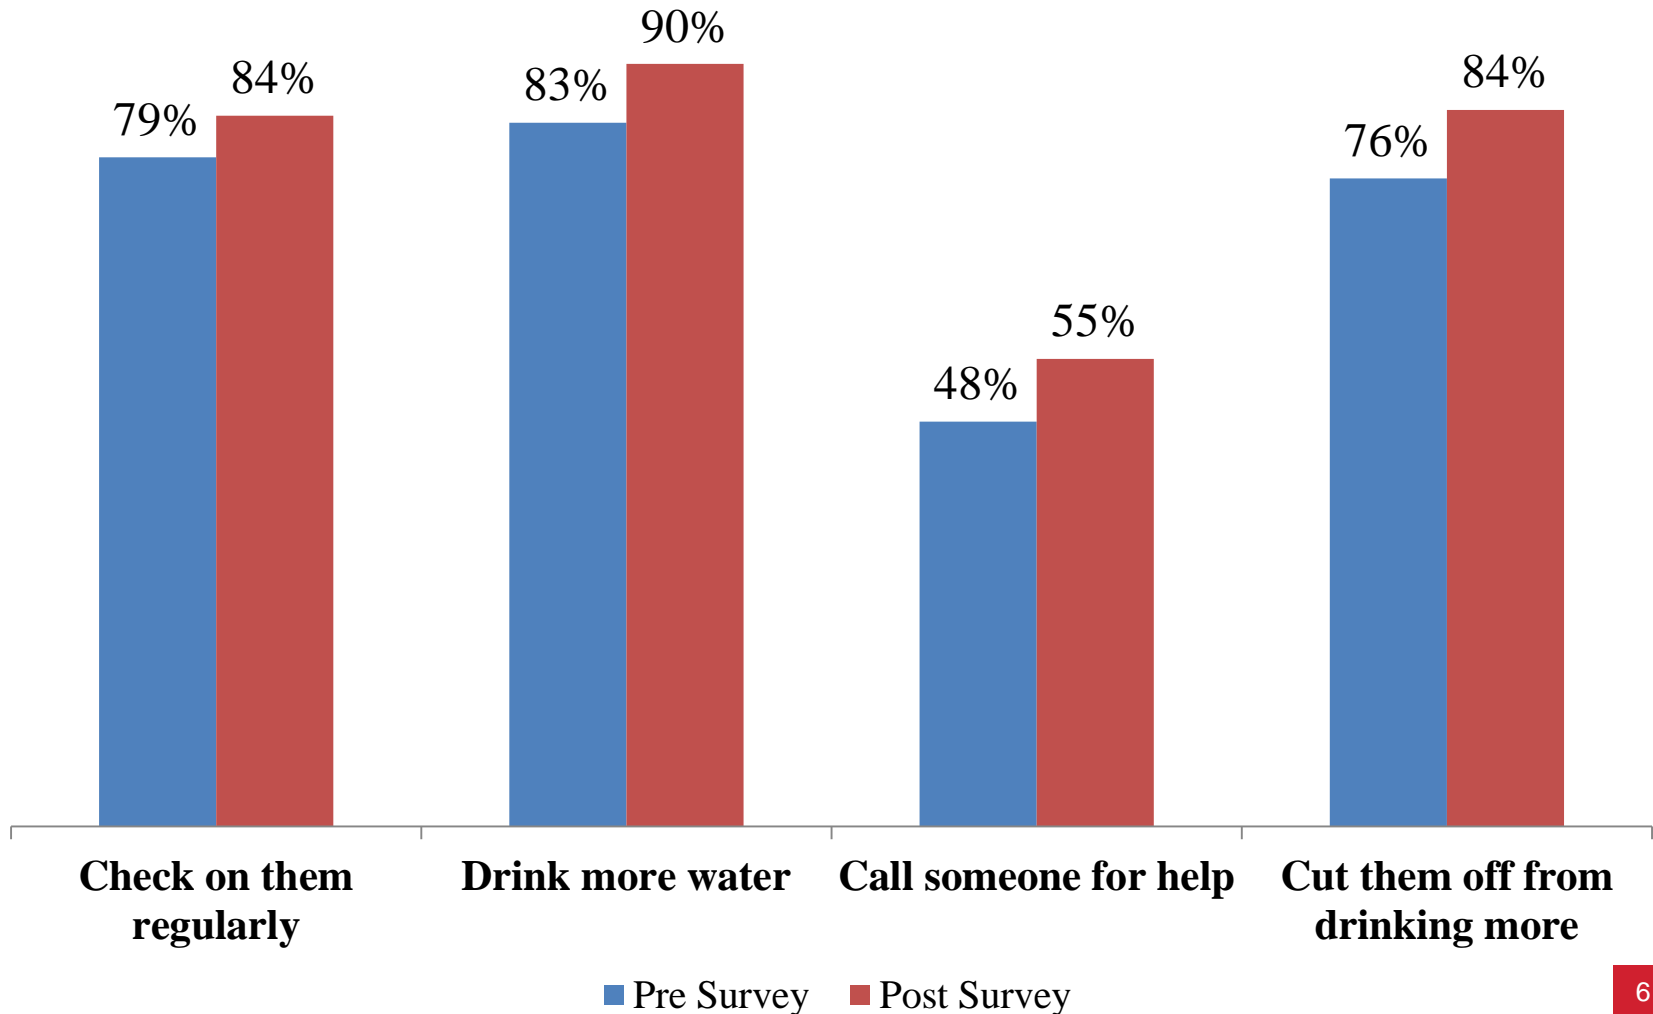

Small Groups and Discussion
Leads to a Bigger Conversation

How likely would a student call...

If someone had too much to drink, how likely are you to...

Lessons Learned

- Continue the conversation about alcohol consumption and negative consequences
- Continue to be a positive role model
- Continue to watch out for teammates who are at risk of negative consequences
- You're not alone...call for help when needed!
